

Megahouse Collection Checklist

It is a long-term, ongoing project to maintain this Checklist, and many of the Japanese-to-English translations are still missing. If you have corrections or updates, I welcome them. To submit content for this checklist, and to find out how you can receive updates as new sets are released, visit www.IamNeverBored.com.

Be sure to also visit the Re-Ment Fan Club blog at www.ReMentFanClub.com.

Thank you.
